

The Kazoo Concerto

C **F** **G7** **C**
One day when I was feeling bored looking for something to do

C **F** **G7** **C**
I walked on down to the music store and bought a brand new kazoo

F **C** **G7** **C**
It was shiny and bright a wonderful toy just the size of my thumb

F **C** **D7** **G7**
And when I put it to my lips I began to hum (No 9th Beethoven)

C **F** **G7** **C**
When I was walking down the street humming a little song

C **F** **G7** **C**
I ran in to a group of friends who wanted to play along

F **C** **G7** **C**
So we walked right back to the music store and bought some musical toys

F **C** **D7** **G7**
And when we all began to play we made a wonderful noise (William tell)

C **F** **G7** **C**
Now that people love to hear us play they come from miles around

C **F** **C** **G7** **C**
Cause they just cant seem to get enough of our unusual sound

F **C** **G7** **C**
But we just play for the fun of it We'd play until we drop

F **C** **D7** **G7**
Cause once we start to play kazoos we never want to stop

Mmm mm m Mmm mm m we never want to stop

Mmm mm m Mmm mm m no never want to mmmmmmmmm

Don't want to stop
